

St John Ambulance WA – Not for Profit Program

Giving back to those who donate their time for the community.

First Aid Course Offerings

This program is designed by St John Ambulance WA to provide volunteers and not-for-profit organisations around WA with affordable First Aid Training options as a gesture of our appreciation to their commitment and services to the community. All course options below are available for only \$30 – please note that these are not able to be transferred or refunded once booked.
